WORK EXPERIENCE

Self-Employed | 06.2008 - Present

- Web and Graphic Designer

Currently seeking new work in web and graphic design, as well as collaborations with related fields. I combine my creative services with solution-driven strategy to help a variety of clients meet their goals.

HyperQuake | 03.2009 - 06.2009

- Interactive Design Intern
- 205 West Fourth St., Cincinnati, OH 45202
- Chris Albert: chris.albert@hyperquake.com

Collaborated with the interactive team to both manage website updates and create new material for retainer clients such as SeaPak, Casa de Bertacchi, Welch's, and Farm Rich. Also assisted with in house projects geared toward improving HyperQuake's web presence.

University of Cincinnati | 11.2008 - 06.2009

- Second Life Designer
- 303G Zimmer Hall, Cincinnati, OH 45221
- Chris Collins: chris.collins@uc.edu

Primary responsibilities included designing and building 3D models for the University of Cincinnati's virtual campus. Also addressed the needs of new UC-affiliated Second Life residents by teaching them the mechanics of the virtual world.
